### Member profiles

**All members of the Bioenergy Association must abide by its [Code of Conduct](#) failure to do so may be a basis for suspending or cancelling membership.**

**Paying a membership fee is agreement that you will abide by the Code of Conduct.**

Members of the Association obtain free listing on the Contact an Expert Directory on the main Association website [www.bioenergy.org.nz/contact-expert](http://www.bioenergy.org.nz/contact-expert). Member’s details are also listed on the Interest Group website of their choice according to their level of membership.

Membership indicates to potential customers and others that the member is keeping up to date with best practice and their performance is subject to oversight by an independent body.

Bioenergy Association profiles its members at every opportunity as this is one way of demonstrating the competence and capabilities of the industry. Membership also promotes the capabilities of members and distinguishes them from non-members. The format for listing is dependent on the level of membership. Examples of category profiles are set out in the information sheet [www.bioenergy.org.nz/resource/becoming-a-banz-member](http://www.bioenergy.org.nz/resource/becoming-a-banz-member).
